About Us

Vasavi Granites is one of the premier granite companies in India, engaged in mining, processing and export of World class granite slabs and tiles with a combination of quality and excellent service, catering to progressive world markets at competitive prices. We have been redefining excellence in granite manufacturing since 2000. We are one of India's oldest, largest and most reputed granite producers.

We have a dedicated team of professionals with a rich and varied experience and industry expertise. As Result Our Company Marketing Operations Spread Over 13 countries over 4 continents. Having many years of experience, our company is a trusted name in the Granite industry.

We take pride in our client relationships and strive to be known for our quality, reliability, flexibility and timely responsiveness. We firmly believe that our customer focused approach and commitment to quality has helped us make the leap from customer satisfaction to customer delight.

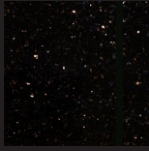

The changing landscape of the Indian economy and its dynamic markets give us the opportunity to constantly develop our processes. We learn and grow every day, and yet, each employee still remains true to the simple values with which we found our company.

" Our Company Carries Its Operations With Utmost Honesty, Transparency, Dedication And Conviction. These Values Have Been Fundamental To Our Growth, Professional Excellence And Community Development "
